Press Note No. 80 Dated 25th April 1950.

There has been some misconception in the matter of recognition and grant of Government subsidy to hostels run for the benefit of pupils of eligible and backward communities and the Government desire to make the position clear.

2. Lumpsum boarding grants are given to hostels run by the Harijan Sevak Sangh and by private individuals for the benefit of boys and girls belonging to the eligible communities and to the backward classes who take up approved courses of study in recognised educational institutions. No such hostel will be admitted to the Government Grant, unless it is recognised by the Director of Harijan Welfare. For the purpose of recognition the management of the hostel should submit an application to the Director of Harijan Welfare by 31st August through the Collector of the district concerned with full and necessary particulars required by the Harijan Welfare Department. Necessary application forms may be obtained from the Harijan Welfare Department, Madras, in proper time. The grant of recognition to these hostels will normally be limited to those which have at least ten eligible boraders in them.

3. In the case of hostels already admitted to Government subsidy, further grants will be sanctioned for the additional boarders newly admitted into them, if the managements of these hostels make fresh applications to the Director of Harijan Welfare through the Collectors of the districts concerned before 31st August in the prescribed form for grants for the increased number of boarders.

The additional boarding grants will normally be limited to Twenty per-cent of the strength of the hostel in the previous year in regard to boy's hostels. In the case of the girls' hostels, however, grants may be given for all pupils who are not in receipt of grants. No guarantee can, however, be held out that grants will be made in respect of additional boarders even to the extent of 20% as the sanction of grants will depend on the finance of the Sate.
